

REMARKS/ARGUMENT

Claims 1, 164 and 167 have been amended to specify the solubility of the drug as recited in the application at paragraph [0061], which is submitted to overcome the §112 rejection.

As to the rejections under §§102(b) and (c) and §103(a), applicants reiterate the same arguments filed December 8, 2008.

Early and favorable reconsideration is respectfully solicited.

Respectfully submitted,

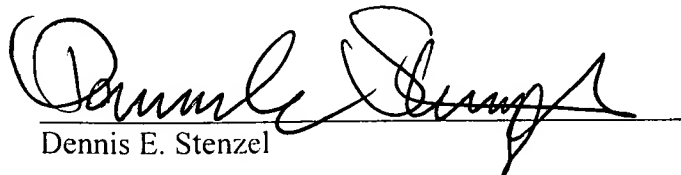

Dennis E. Stenzel
